

108TH CONGRESS  
2D SESSION

# H. CON. RES. 532

---

## CONCURRENT RESOLUTION

Whereas youth participants perform community service in exchange for flight lessons and instruction courses offered through the Aero Squad After School Program at Tomorrow's Aeronautical Museum in Compton, California;

Whereas the Aero Squad After School Program, founded by Robin Petgrave, provides a haven for young people to work and develop workplace ethics while taking seminars

that focus on mathematics, airplane maintenance, and motor maintenance: Now, therefore, be it

1        *Resolved by the House of Representatives (the Senate*  
2 *concurring), That Congress—*

3            (1) commends the Aero Squad After School  
4 Program at Tomorrow's Aeronautical Museum in  
5 Compton, California, as well as other youth aviation  
6 programs that expose young minorities to the field  
7 of civil aviation through engineering, science, and  
8 mathematics enrichment courses;

9            (2) commends civil aviation enrichment pro-  
10 grams that encourage minorities and underrep-  
11 resented groups to enter the field of civil aviation;  
12 and

13            (3) congratulates the graduates of the Aero  
14 Squad After School Program at Tomorrow's Aero-  
15 nautical Museum in Compton, California, who have  
16 obtained pilot licenses, including Kenny Roy, who  
17 obtained his student pilot license in Canada.

Passed the House of Representatives December 7,  
2004.

Attest:

*Clerk.*
